In regard to the 3rd point raised by the Comptroller, as to the specific items towards which the Contributions of Govt. should be spent, the President of the Bank points out that it was understood that the amounts were to be treated as outright grants to the Bank to help it in its initial stages to meet its working expenses.

It is for orders if the Comptroller may be informed accordingly.

Sir,

With reference to your letter No.D.3983/L.F.9-33 dated 13th February 1934 forwarding a copy of letter No.214/T.A.D. B.I. dated 3rd October 1933 from the Comptroller to Government, on the subject of the payment of the Government contribution towards the working expenses of the Land Mortgage Bank, Ltd., and calling for my views in the matter, I have the honour to state as follows:-

Point No.1 raised by the Comptroller.-

The amount has already been paid to the Bank by the Comptroller in September 1933 and the same may be approved.

Points 2 and 3 raised by the Comptroller.-

During 1931-32, the Bank budgetted for an expenditure of Rs.13,000/- against which Government sanctioned a contribution of Rs.11,000/- and the actual amount spent during this year was Rs.11,300-10-10.

In 1932-33, the Bank provided for an expenditure of Rs.13,850/- and Government sanctioned a subvention of Rs.8,500/- only. The actual expenditure during this year was Rs.11,711-13-4. Statements furnishing the details of budgetted amounts, expenditure incurred and the savings effected under each head is submitted herewith for information of Government. From these statements, it is seen that the Bank has spent more than the Government grant in each year, but it must be pointed out that the Government grant would have been less, if the budget estimates of the Bank, had not been so high. As the Bank has spent more than the grant paid to it by Government, the question of refund may be dropped.

A copy of letter No.S.I.276 dated 28th March 1934 received from the President of the Land Mortgage Bank on the subject is also herewith enclosed

I.T.O.

enclosed for the information of Government.

With reference to your letter No.5617/C.S.dated 23rd February 1934, inviting my opinion on the points raised by the Comptroller in his letter No.214/TADB.1. dated 3rd October 1933 to Government, regarding the Government contribution towards the working expenses of this Bank for the years 1931-32, 1932-33 and 1933-34, I have the honour to state that it was understood that the amounts which were sanctioned by Government from year to year after a careful consideration of the annual requirements of the Bank, were to be treated as outright grants made by them to the Bank to help it in its initial stages to meet its working expenses. The grants were used solely for this purpose and were generally just sufficient to meet these charges. I am therefore to state that in the circumstances, there is no question of the refund to Government of any unspent amount out of the annual grants.
